

## Flag Requests

Residents of Delaware may purchase a flag from my office. Because of the volume of flag requests we receive, we ask that you pay for the flags at cost. The cost varies upon size and color. The flags come with the option of being flown over the capital in honor of an individual or organization. The flags may also be flown on a specific date. To purchase a flag please follow the instructions below.

### United States Flag Request

The Honorable Michael N. Castle:

I would like to purchase an American flag from the Office of Representative Michael N. Castle. For an additional fee, I have the option to request that the flag be flown over the United States Capitol and receive an accompanying Certificate from the Architect of the Capitol.

From the following list of available flags, I have circled the flag I wish to purchase and have also enclosed a check made out to "Office Supply Account: DE 0030" for the appropriate amount:
