

CASTLE EXPRESSES DISAPPOINTMENT ON GILCHREST'S DEFEAT IN THE MARYLAND PRIMARY -- FEBRUARY 13, 2008

Washington, DC -- Delaware Congressman Mike Castle released the following statement regarding yesterday's Maryland primary:

"Representative Wayne Gilchrest was defeated last night in the Maryland Republican primary. Wayne is a long-time friend and colleague with whom I have worked on many national and regional issues. His service to this country, in both the military and the United States Congress, reflects immeasurable sacrifice, and dedication to his fellow Americans. His integrity and spirit cannot be replaced and his voice will be missed in Congress. I have no doubt his contribution to Maryland and the nation will continue to be great in his life after Congress."
