Middletown, DE -- Today, Monday, April 7, 2008, Congressman Michael N. Castle (R-DE) will host a Financial Aid Fair from 7:00 p.m. - 8:30 p.m. at the Middletown Fire Hall. This event will be open to all high school students as well as their parents. This event will explain a broad range of topics to help finance your secondary education from processing FAFSA forms to locating private loans. There will be a representative from the U.S. Department of Education as well as lenders and financial aid representatives from every college in Delaware to answer questions. There will be workshops on how-to fill out a FAFSA form and the opportunity to speak one-on-one with the various colleges and lenders. Rep.
