

Castle Statement on Announcement by Bank of America on Moving Charter to Delaware -- February 2, 200

Washington, D.C. -- Delaware Congressman Mike Castle released the following statement on the announcement made by Bank of America today that they will be moving the company's card services bank charter to Delaware.

"I am extremely pleased to hear the news today that Delaware will be the home for Bank of America's card services bank charter. This will be a truly valuable addition to Delaware's thriving banking industry and a wonderful way to develop our growing relationship with Bank of America."
